Katherine and David Markham (far left), co-founders of ConventionPlanit.com, joined their team for a universal celebratory toast in honor of the Web portal's first anniversary. Other team members included (L-R) Lisa Harris, Pam Edelman, Debra Carter, Betti Kelso, Jean Mills, Al Rickard and Jackie Parlanti. ConventionPlanit.com now generates up to 700 site visits per day as meeting professionals and others access the searchable database of destinations, hotels, convention centers, industry associations, trade publications and meeting tips.
