Marketing & Media

GREG A. LOHR

... **ASSOCIATION VISION**, a marketing and publishing company in Chantilly, will handle an international public relations campaign for the **ASSOCIATION OF CAREER PROFESSIONALS INTERNATIONAL (ACPI)**.

The professional group (www.acpinternational.org) has more than 2,000 members who specialize in everything from career management and coaching, to talent retention and outplacement. Its two-prong media outreach will target consumer media as well as publications in the human resources sector.

Association Vision (www.associationvision.com) has worked with clients such as the Better Sleep Council, Westfields Marriott and the Travel Industry Association of America.
